Ferno Model 101-H Hydraulic Table

- Hydraulic foot pedal for tilting and height adjustments
- Lower or raise either end of table from 28.5" to 40.5" (72.4 - 103 cm) above the floor
- Top is convex shape to drain fluids away from the body
- Extra - deep trough eliminates the need for splash guards
- Drain is located in the center of the foot end to quickly eliminate fluids from the table
- Four 8" (20 cm) swivel wheels lock instantly with a single foot pedal
- Type 304 stainless steel with a #3 finish ensures easy maintenance
- Solid surface base eliminates crevices where liquids can coagulate
- Accessory: Model 38-BB, Body Bridge (elevates body)

0661010 Model 101-H, Hydraulic Mortuary Table

Ferno Model 24 and 24-H Multi-Level, One-Man® Mortuary Cot

- Roll-In Technology allows just one person to perform retrieval
- The multi-level feature allows the body to be moved easily from bed to cot
- Special release levers make it possible to raise and lower the cot without assuming the full weight of the cot and body
- The load-end legs unfold and lock automatically when unloading the cot in confined areas
- Highly maneuverable when the undercarriage is folded and locked. Slides down stairs with built-in stair guides
- The cot also allows a portable stretcher to lie evenly in place
- Comes complete with Ferno Model 372 one-inch burgundy mattress and two Model 430 five-foot-long, two-piece, burgundy quick-release restraining straps
